"I just wanted to let you know that the chocolates were a huge hit! They were a perfect end to a great evening.

They really looked great with our logo on each one, and I think everyone liked having a take-home gift. We appreciate your efforts in making them so nice!"

Melissa Titherington, M.A.Sc., P.Eng., Senior Concrete Engineer.

3000 Delight Chocolates supplied for a special event at the Royal Ontario Museum, October 23, 2012.

"Alterna Savings are always happy to support and work with our members. What better way to support Delight Chocolates than ordering their chocolates for our employees as a Holiday treat every year. They provide fair trade, organic and healthy quality chocolates that our employees look forward to receiving each year. They truly are the best chocolates in Toronto."
